Registering for Trent University's Summer Courses

Please note that if you intend to register for a Trent summer course, you must follow UOIT add/drop deadline dates or dates indicated beside the posted course listing.

SPECIAL NOTE TO CURRENT YEAR 3 STUDENTS

Should you anticipate graduating at the end of your final year, you should act to verify that you are on target to complete all degree requirements by Spring 2013. Consult with the academic advisor for your Faculty who is best able to identify measures you must take in order to graduate on time. Summer semester courses provide an opportunity for completing outstanding course requirements or for 'catching up'.
