Women in STEM Scholarship

Husky Energy's scholarship program for female students in STEM programs is focused on attracting women in STEM to the energy industry. The program provides financial support to students with outstanding academic achievements, connects them with relevant work experiences through co-op and summer work terms and includes a mentorship program.

Three scholarships available at \$5,000

Eligible criteria

Scholarships are applicable to female Canadian citizen enrolled in full time studies in STEM bachelor or diploma programs.

Don't miss the application deadline

Apply online before May 31, 2019.
