*Instalment payment option

If you chose the instalment option, the balance of your remaining fees will be due by **January 18, 2013**.

Account balance

To view your account balance, log into your [MyCampus](#) account and click Account Summary by Term. Please recheck your account balance every time you make a change to your registration.

It is important to pay your fees on time, as fee payment confirms your registration and secures your enrolment in your courses. Fees are charged on a per-semester, per-course basis.

Methods of payment

Detailed information on approved methods of fee payment can be found under [Payment options](#) on the UOIT website. For international students, we recommend payment by [NorthStar](#) bank-to-bank transfer.

You may be eligible to defer payment of your fees if you are receiving scholarships, bursaries or being sponsored.

If you have questions about fee payment or deferring your payment, please contact UOIT International at neema.kakkuzhiyil@uoit.ca.
