

UOIT Science Building now open 24 hours a day

In order to increase study space, UOIT is providing students with access to the Science building 24 hours a day, 7 days a week. These hours will remain in effect until April 25, 2014.

In addition to public spaces in the Science building, students will also have access to the classrooms listed below outside of normal booking hours. These classrooms will be available for student use from 11 p.m. to 8 a.m. Monday to Friday and 5 p.m. to 9 a.m. on Saturday and Sunday.

Occasionally, a lecture hall or classroom may be booked during these hours and the room will not be available. If you are occupying a room and someone enters the room indicating that it has been reserved, please vacate immediately. Your cooperation is appreciated.
